Oct is here! the fruits are all mellow.  
Jack Frost has come, that gay little fellow,  
Painted the trees, as he rode on the breeze,  
And now once stopping to say, "If you please."

Halloween.

Soft was the violet vernal hue,  
Fresh was the rose's morning red,  
Full orb'd the stately dahlia grew -  
All gone! their short lived splendor shed.  
The shadows lengthening, stretch at noon;  
The fields are stripped, the groves are dumb;  
The frost flowers greet the icy moon, -  
Then blooms the bright chrysanthemum.
